Thank you Mr President,

The Maldives welcomes the delegation from the Kingdom of Morocco to this review. We express our appreciation for today's presentation, and take positive note of the national report.

The Maldives welcomes Morocco's efforts in advancing women's rights in the country including its successful implementation of the Government Plan for Gender Equality 2012-2016. The Maldives is further encouraged by Morocco's efforts in protecting the rights of the persons with disabilities through the implementation of the National Action Plan for the Social Integration of Persons with Disabilities (2008-2017).

The Maldives recommends that the Kingdom of Morocco:

1. **Continue its efforts to combat child labour through the effective implementation of Domestic Workers' Labour and Employment Conditions Act.**
