Statement by:
H.E Dr Hala Hameed,
Ambassador | Permanent Representative of the Republic of Maldives to the United Nations Office at Geneva

---

Thank you Mr President,

The Maldives welcomes the delegation from the Algeria to this review.

We express our appreciation for today's presentation, and take positive note of the national report.

The Maldives appreciates the Government of Algeria's efforts in the promotion and protection of human rights including the establishment of the national human rights council in 2016 and the establishment of an Office of the National Child Protection Ombudsman 2015, in its efforts to promote child rights.

The Maldives recommends that the Government of Algeria:

1. Continue its efforts to combat human trafficking through the establishment of an effective national policy to address it
2. Continue its efforts to consolidate rule of law and good governance through reforms in the administration of justice and improving the quality of public service.

We wish the delegation of Algeria every success during this review. Thank you.
