Thank you, Mr. President,

The Maldives warmly welcomes the delegation of Poland to this session and appreciates their commitment to the UPR process in the promotion and protection of human rights.

We welcome the efforts by the Government to implement policies in line with international human rights standards. We also appreciate that the Government of Poland accepted the recommendations made by the Maldives to strengthen the education system by improving access to digital technologies, and to promote the right to an adequate standard of living for all children by reducing child poverty.
