Item 6: UPR Report Adoption of Brazil

52nd Session of the Human Rights Council

28 March 2023

Thank you, Mr. President,

The Maldives warmly welcomes the distinguished delegation of Brazil to the adoption of the UPR Report. The Maldives appreciates Brazil's commitment to the UPR process in the promotion and protection of human rights and commends Brazil for fully supporting 301 recommendations.

My delegation notes with appreciation that Brazil has accepted both the recommendations made by the Maldives to increase efforts to expand the measures taken towards ensuring social protection for the most vulnerable segments of society and to continue efforts to strengthen the Brazilian universal health care system.

The Maldives recommends the Council to adopt the UPR outcome report of Brazil by consensus and wishes the Government of Brazil success in the implementation of the accepted recommendations.

I thank you, Mr. President.
