Item 6: UPR Report Adoption of Republic of Peru
53rd Session of the Human Rights Council
7 July 2023

Thank you, Mr. President,

The Maldives warmly welcomes the distinguished delegation of Peru to the adoption of the UPR Report and we commend Peru for their commitment to the UPR process in the promotion and protection of human rights.

My delegation notes with appreciation that Peru has accepted both the recommendations made by the Maldives to strengthen prevention and intervention capacities for addressing gender-based violence against women and to enhance efforts to mitigate and prevent destruction of the environment from the negative impacts of mining.

We wish Peru every success in the implementation of the accepted recommendations and requests the Council to adopt the UPR outcome report by consensus.

I thank you, Mr. President.
