24/28 March 2023

Thank you, Mr. President,

The Maldives warmly welcomes the distinguished delegation of Algeria to the adoption of the UPR Report and commends the Government of Algeria for their commitment to the UPR process.

The Maldives also commends the efforts made by Algeria to implement policies in accordance with international human rights standards. My delegation notes with appreciation that Algeria has accepted the recommendation by the Maldives to increase protection for individuals with disabilities, including the application of accessibility laws, and has realized the recommendation of conducting awareness raising activities for public institutions.

We wish the Government of Algeria success in its implementation of the recommendations and request the Council to adopt the UPR outcome report of Algeria by consensus.

I thank you, Mr. President.
