Thank you, Mr. President,

The Maldives warmly welcomes the distinguished delegation of Luxembourg to the adoption of the UPR Outcome Report and commend Luxembourg for their commitment to the UPR process and the promotion and protection of human rights at home and internationally.

Maldives notes with appreciation that Luxembourg has accepted both the recommendations made by the Maldives to accelerate the process of adopting the necessary legislative measures to safeguard minors in the juvenile justice system and strengthen measures to promote women in leadership positions in both the public and private sector.

My delegation recommends the adoption of the UPR report of Luxembourg by consensus and wished the Government of Luxembourg every success in implementation of the accepted recommendations.

I thank you, Mr. President.
