Item 6: UPR Report Adoption of Mali
54th Session of the Human Rights Council
2 October 2023

Thank you, Mr. President,

The Maldives warmly welcomes the distinguished delegation of Mali to the adoption of the UPR Report and commends the Government of Mali for their commitment to the UPR process.

My delegation notes with appreciation that Mali has accepted the two recommendations made by the Maldives: to strengthen cooperation with the Human Rights Council and special procedure mandate holders; and to enhance efforts to provide access to quality education and implement measures to discourage children from dropping out of school.

We wish the Government of Mali success in its implementation of the recommendations and request the Council to adopt the UPR outcome report of Mali by consensus.

I thank you, Mr. President.
