other International Organisations at Geneva
Item 6: UPR Report Adoption of Romania
54th Session of the Human Rights Council
2 October 2023

Thank you, Mr. President,

The Maldives warmly welcomes the delegation of Romania to the adoption of the UPR Report and appreciates their commitment to the UPR process in the promotion and protection of human rights.

We commend the Government of Romania for accepting most of the recommendations received during the UPR process, including the two recommendations made by the Maldives: to continue implementing measures to eliminate discrimination against women and promote women's empowerment; and to further strengthen efforts towards the development and implementation of policies that affect the realization of the rights of persons with disabilities.

We wish the Government of Romania every success in implementing the accepted recommendations and request the Council to adopt the UPR report by consensus.

I thank you, Mr. President.
